

Victory's Global Mission Trip September 5-16, 2024

Mahikeng, North West province of South Africa

**There are 3 kinds of passionate people:
Dreamers, Visionaries and Missionaries**

**Dreamers wish the world was different.
Visionaries understand how the world could be different.
Missionaries make a difference in the world.**

Which one are you?

- ▶ Orchard: Africa has been at work in the rural villages and urban shanty towns of South Africa for 30 years!
- ▶ What began as one simple act of kindness to a group of African children has grown into a movement that is bringing sustainable change to thousands of vulnerable people everyday.
- ▶ We specialize in equipping both African and Western churches to care for the vulnerable in an intelligent, honoring and sustainable way.
- ▶ Mission trips that are run with excellence is an Orchard: Africa strength, bringing positive life change to both sending and receiving churches.

Orchard: Africa Mission Trip

Dates: September 5-16, 2024

Location: Mahikeng, North West province of South Africa

Cost: Approximately \$3,800-4,000 total which will include travel, meals, lodging and program costs (We hope to offer scholarships up to 25% of the total cost for those who need assistance.)

Breakdown: Airfare to and from South Africa is approximately \$1,600-1,800 per person. The program fee is \$1,400 per person, which covers meals, housing and local transportation. All-inclusive safari approximate cost for 3-days/2-nights is \$650.

Our trip is hosted in partnership with Orchard: Africa (orchardafrica.org), an organization started by two South Africans 30+ years ago.

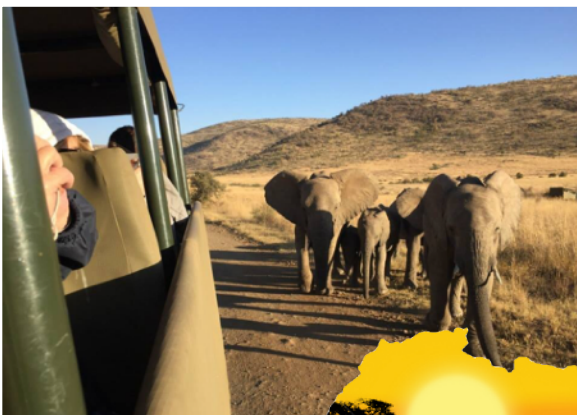

We will be staying at a guest house owned by Orchard: Africa that has modern amenities. We will board a van each day to drive approximately 20-30 minutes to the site of the church/mission that Victory supports.

**A \$200 non-refundable deposit
is due with registration to cover agency cancellation fee.**

Payment in full due June 5, 2024.

Construction of Impact Center located in Mahikeng (as of March 2024)

Victory Lutheran has been a key partner in the launch of the new Orchard Impact Center in the North West. Your investment in this building will allow church leaders to receive training in small-scale agriculture, early childhood education, small business development, orphan care, and church strengthening. This center will also offer network gatherings for pastors, empowerment programs for women facing gender-based violence, young parent workshops and future leader youth development courses.

The mission team this September will have the opportunity to lead trainings, alongside Orchard: Africa staff, at this new Impact Center! Put your time, energy and skills to work in supporting the network of churches in that area. This might mean planting gardens, volunteering with ministry to young mothers, encouraging preschool teachers or empowering future leaders.

Come equip and encourage local leaders to care for the vulnerable in their communities!"

MISSION TRIP ITINERARY (Sample from previous trip)

Friday (8/4)

3:45pm WOL Arrive in Joburg.
6:30pm Check into Hotel/Dinner.
