

3:16 #2: HE LOVED

July 6 & 7, 2024

John 3:16

Opener:

What is a story of a childhood misbehavior that has stuck with you to this day?

Go Deeper:

1. When you think of someone demonstrating their love, what comes to mind?
 2. When you think of Jesus demonstrating His love, what comes to mind?
 3. How are these two examples different? How are they similar?
 4. Romans 5:8 says that "While we were still sinners" Christ loved us. How does that make you feel?
 5. We tend to think of love as transactional. (In other words we look at love as a 2-way street) In John 3:16 is this verse transactional or is it unconditional?
-

Live It:

1. How does knowing that God's love endures forever change your prayer life?
2. The Holy Spirit intentionally lays people on our hearts to pray for or to share the Gospel with. Who is someone that you need to share John 3:16 with this week?
