## Timeless Call #8: Solomon

October 26 & 27, 2024

1 Kings 8:15-20, 27-30

### Opener:

Do you have a personal "sacred space" where you feel close to God?  
If so, where is it?

### Go Deeper:

1. Why do you think humans have a deep desire to be part of something greater than themselves?
  2. How does Jesus fulfill and surpass the significance of the temple?
  3. Why is the message of forgiveness central to our worship?
  4. Imagine being present when "the glory of the LORD filled His temple."  
How would that experience affect you?
-

**Live It:**

1. What is the most meaningful part of gathered worship for you?
2. In what ways can you consciously focus more on Jesus during worship services?
3. Why might we hesitate to confess our sins and seek forgiveness?
4. How does participating in the church community make you feel connected to a greater purpose?
5. How can you carry the essence of worship into your everyday activities?
