

God's Will, God's Way #5: "Take My Hand"
July 12 & 13, 2025
Exodus 2:21-25, 3:1

Opener:

Briefly share a time when you were completely stranded.

Go Deeper:

Explore the biblical text and reflect on its meaning.

1. Read Exodus 2:21–22. What does the name Gershom reveal about Moses' emotional and spiritual state?
 2. Read Exodus 3:1. What do you notice about the setting where God chooses to speak? Why might that be important?
 3. Read Acts 7:29–30. How does this passage from Stephen's speech help interpret Moses' time in the desert?
 4. Read Deuteronomy 32:10–12. List the verbs that describe what God does for His people in the desert. What do these actions say about God's heart?
 5. Read Hebrews 4:15–16. How does Jesus identify with us in our desert experiences?
-

Live It:

Apply the message personally and practically.

1. What desert are you walking through right now—emotionally, physically, relationally, or spiritually?
2. How might God be using solitude, obscurity, time, or discomfort to shape you in this season?
3. What have you been clinging to that God might be asking you to release, so you can listen more closely?
4. What is one practical way you can "take God's hand" this week—through prayer, Scripture, or community?
5. Who in your life might need to hear this truth today? How can you be a voice of hope?
