

God's Will, God's Way #7: "Who Me, Lord?"
July 26 & 27, 2025
Exodus 3:10-4:19

Opener:

Share a time when someone who seemed like an "unlikely choice" ended up being perfect for the job.

Go Deeper:

(Exploring the Bible)

1. Read Exodus 4:10 again. What does Moses' honesty about his limitations teach us about how we should approach God with our concerns?
 2. What does God's question "Who gave human beings their mouths?" reveal about His perspective on our limitations?
 3. What emotions or fears might have been driving Moses to ask God to send someone else?
 4. Read about God's anger in verse 14. Why do you think God's anger was kindled here specifically?
 5. What does God's provision of Aaron teach us about how God works through our limitations? How does this reflect Paul's teaching in 1 Corinthians 12:21-22?

Live It:

(Applying to Our Lives)

1. What's your "speech impediment" - the thing that makes you feel like God couldn't possibly use you? How has this held you back from serving others for God?
2. Share about a time when you used a legitimate weakness as an excuse to avoid something God was calling you to do. What would it look like to move from "I can't because..." to "I'm weak in this area, but God can..."?
3. Are you currently trying to do something alone that God might want you to do in partnership with others?
4. What "staff" has God already put in your hands? (Your story, job, relationships, experiences, struggles) What would it look like to stop waiting for different tools and start using what you already have?
5. How can you guard against taking credit when God works through you despite your limitations?
