

Forward Together #1: "Generosity That Finishes What We Start"
October 18 & 19, 2025
Numbers 32:1-23

Opener:

What's one thing—big or small—that you're thankful God has given you this week?

Go Deeper: *(Exploring the Bible)*

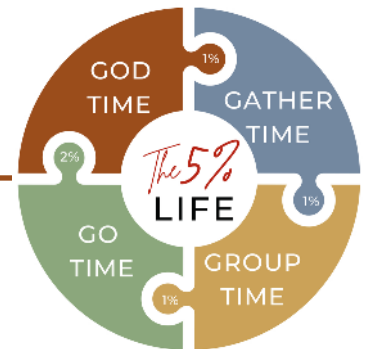

1. Read Numbers 32:20–23. What does Moses' warning teach about faith and participation in God's work?
 2. How does this passage redefine "sin" as spiritual withdrawal rather than just moral failure?
 3. According to Matthew 6:19–24, what link exists between treasure and heart?
 4. What does 2 Corinthians 9:6–8 reveal about cheerful giving and God's provision?
 5. How does seeing generosity as worship transform your motivation to give?
-

Live It: *(Applying to Daily Life)*

1. Where are you tempted to "settle east of the Jordan"—enjoying God's gifts while staying on the sidelines?
2. What step of faith can you take this week in your giving, serving, or living generously?
3. How can giving become a joy instead of a duty?
4. In what ways has Jesus' generosity toward you changed how you view your own resources?
5. How can our Victory family model cheerful generosity together?
