

Foundations of Our Faith "People of the Word"

October 10 & 11, 2026

Matthew 4:1-11

Opener: What is one Bible verse or Bible story you remember learning as a child?

Go Deeper: *(Exploring the Bible)*

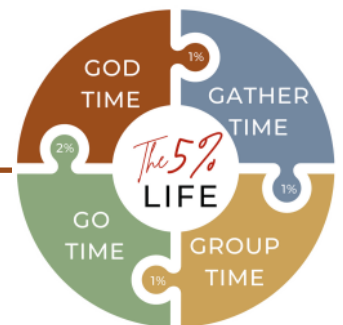

1. Read Matthew 4:1-11. What lie or false promise lies beneath each of the devil's three temptations?
 2. Jesus responds to every temptation with Scripture. What do His responses reveal about His relationship with the Father?
 3. According to 2 Timothy 3:14-17, what work does God accomplish through Scripture?
 4. Compare Psalm 19:7-14 with Isaiah 55:10-11. What do these passages teach about the character and power of God's Word?
-

Live It: *(Applying to Daily Life)*

1. What voices have been shaping your thoughts and emotions lately? How do their messages compare with God's Word?
2. When has a Bible passage, sermon, or Bible class made a lasting difference in your life?
3. Where are you most vulnerable to temptation right now? What promise from Scripture speaks truth into that struggle?
4. How can Victory remain deeply rooted in Scripture as we move into our next fifty years of ministry?
