October 31 & November 1, 2026
John 11:17-27

Opener: Who is someone who has passed away to whom you would like to speak with one last time?

Go Deeper: *(Exploring the Bible)*

1. What do Martha's words to Jesus show us about the way grief and faith can exist together?

2. What does Jesus mean when He says, "I am the resurrection and the life"?

3. In Hebrews 11, what do the stories of those who lived by faith reveal about God?

4. What does the Ebenezer stone in 1 Samuel 7:12 help Israel remember?

Live It: *(Applying to Daily Life)*

1. Who has helped shape your faith, and what do you thank God for in that person?

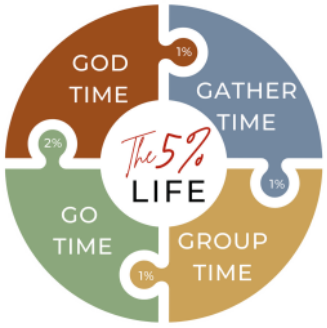

2. What story from your family or church could help someone else remember God's faithfulness?

3. When grief or questions weigh on you, what helps you bring them to Jesus?
